THIS IS SHENZHEN

这里是深圳

Welcome to Shenzhen

深圳，位于中国南部海滨，毗邻香港，坐落于广东省珠江口东岸，陆地面积1997.47平方公里，海岸线总长260.5公里，属亚热带季风气候，年均气温23.0℃，常住人口1798.95万，平均年龄32.5岁，是中国最年轻、最具活力的移民城市之一。

Shenzhen, a coastal city in southern China, is adjacent to Hong Kong and located on the eastern bank of the Pearl River Estuary in Guangdong Province. It covers a land area of 1,997.47 square kilometers, with a total coastline of 260.5 kilometers. The city, which features a subtropical monsoon climate, has an average annual temperature of 23.0° C. With a permanent population of 17.9895 million and average resident age of 32.5, Shenzhen stands as one of China's youngest, most dynamic, and most vibrant migrant cities.

Established as a city in March 1979, Shenzhen became China's first Special Economic Zone in 1980. In 2019, it was designated as one of the core engines of the Guangdong-Hong Kong-Macao Greater Bay Area and received Central Government support to build a pilot demonstration area of socialism with Chinese characteristics.

Over the past 40-plus years, Shenzhen has transformed from a small border town into a modern international metropolis, creating a miracle in the history of global urban development. In 2024, its GDP reached 3.68 trillion yuan, ranking third in China and eighth in the world. Despite occupying only 0.02% of the country's land area, Shenzhen generated 2.72% of the country's GDP.

深圳1979年3月建市，1980年成为全国首个经济特区，2019年，被确立为粤港澳大湾区核心引擎之一，并获中央支持建设中国特色社会主义先行示范区。

40多年来，深圳从边陲小镇发展为现代化国际化大都市，创造了世界城市发展史上的奇迹，2024年GDP达3.68万亿元，为全国第三、全球第八。深圳以占全国0.02%的土地创造了占全国2.72%的产值。

深圳是中国最重要的制造业中心之一，是华为、腾讯、大疆、中兴通讯、比亚迪等世界级科技企业的总部所在地，是重要的应用技术研发中心，还是中国首个被联合国教科文组织授予“设计之都”称号的城市。2023年，全球首个“国际红树林中心”落户深圳，2024年深圳荣获“世界智慧城市大奖”。

深圳是全国经济对外开放程度最高的地区之一，过去32年出口规模稳居中国内地城市首位，是中国走向国际市场的重要门户。

今天的深圳正以科技创新、绿色共生、梦想活力吸引着世界的目光。面向未来，深圳正加快建设更具全球影响力的经济中心城市和现代化国际大都市，打造全球领先的先进制造业中心、产业科技创新中心以及消费、物流、金融中心，建造更美好的家园。

As one of China's most important manufacturing hubs, Shenzhen is home to the headquarters of world-renowned tech giants such as Huawei, Tencent, DJI, ZTE, and BYD. It is a key center of applied technology R&D and the first Chinese city to be named a "City of Design" by UNESCO. In 2023, the world's first International Mangrove Center was established in Shenzhen, and in 2024, the city won the City Award, the top prize of the World Smart City Awards.

Shenzhen is one of China's most economically open regions, having maintained the top position in export volume among Chinese mainland cities for the past 32 years. It serves as a vital gateway for China's engagement with the global market.

Today, Shenzhen captivates the world with its technological innovation, green development, and dynamic spirit. Looking ahead, the city is accelerating its development into a more globally influential economic center and modern international metropolis. It aims to become a globally leading hub for advanced manufacturing, industrial and technological innovation, consumption, logistics, and finance, building a better home for all.
